

Architect

Subject: Project Name – Temporary Shoring Design Support

Dear Contact Name,

We came across Project Name and wanted to introduce DRS Engineering Inc. We believe temporary shoring design may be needed on this project, and we often support project teams where excavation and below-grade conditions need practical design input.

If useful, we would be happy to discuss the project and see whether we could be of assistance.

Kind regards,
DRS Engineering Inc.

Civil Engineer

Subject: Project Name – Temporary Shoring Design Support

Dear Contact Name,

We came across Project Name and wanted to introduce DRS Engineering Inc. We believe temporary shoring design may be needed on this project, and we often work alongside civil teams where excavation support becomes part of the design picture.

If helpful, we would be glad to discuss the project and see whether our temporary shoring design services could be of assistance.

Kind regards,
DRS Engineering Inc.

Construction Manager

Subject: Project Name – Temporary Shoring Design Support

Dear Contact Name,

We came across Project Name and wanted to introduce DRS Engineering Inc. We believe temporary shoring design may be needed on this project, and we support construction teams with practical temporary shoring design solutions.

If helpful, we would be glad to discuss the project and see whether we could assist.

Kind regards,
DRS Engineering Inc.

Consultant

Subject: Project Name – Temporary Shoring Design Support

Dear Contact Name,

We came across Project Name and wanted to introduce DRS Engineering Inc. We believe temporary shoring design may be needed on this project, and we often support project teams where excavation conditions call for focused design input.

If useful, we would be glad to discuss the project and see whether we could assist.

Kind regards,
DRS Engineering Inc.

Design/Build

Subject: Project Name – Temporary Shoring Design Support

Dear Contact Name,

We came across Project Name and wanted to introduce DRS Engineering Inc. We believe temporary shoring design may be needed on this project, and we support design-build teams with practical temporary shoring solutions.

If useful, we would be glad to discuss the project and see whether we could assist your team.

Kind regards,
DRS Engineering Inc.

Design Firm

Subject: Project Name – Temporary Shoring Design Support

Dear Contact Name,

We came across Project Name and wanted to introduce DRS Engineering Inc. We believe temporary shoring design may be needed on this project, and we wanted to introduce our team in case that expertise would be useful.

We would be glad to discuss the project and see whether we could be of assistance.

Kind regards,
DRS Engineering Inc.

Developer

Subject: Project Name – Temporary Shoring Design Support

Dear Contact Name,

We came across Project Name and wanted to introduce DRS Engineering Inc. We believe temporary shoring design may be needed on this project, and that is an area where we can be helpful.

DRS Engineering provides practical temporary shoring design support focused on buildable, efficient solutions. If it would be useful, we would be glad to discuss the project and see whether we could assist your team.

Kind regards,
DRS Engineering Inc.

Electrical Engineer

Subject: Project Name – Temporary Shoring Design Support

Dear Contact Name,

We came across Project Name and wanted to introduce DRS Engineering Inc. We believe temporary shoring design may be needed on this project, and we wanted to introduce our team in case that support becomes relevant as the project develops.

We would be happy to discuss the project and see whether we could be of assistance.

Kind regards,
DRS Engineering Inc.

Engineer

Subject: Project Name – Temporary Shoring Design Support

Dear Contact Name,

We came across Project Name and wanted to introduce DRS Engineering Inc. We believe temporary shoring design may be needed on this project, and we often collaborate with engineering teams on excavation support challenges.

If helpful, we would be glad to discuss the project and see whether we could be of assistance.

Kind regards,
DRS Engineering Inc.

General Contractor

Subject: Project Name – Temporary Shoring Design Support

Dear Contact Name,

We came across Project Name and wanted to introduce DRS Engineering Inc. We believe temporary shoring design may be needed on this project, and we support contractors with practical, buildable shoring design solutions.

If useful, we would be glad to discuss the project and see whether we could assist your team.

Kind regards,
DRS Engineering Inc.

Landscape Architect

Subject: Project Name – Temporary Shoring Design Coordination

Dear Contact Name,

We came across Project Name and wanted to introduce DRS Engineering Inc. We believe temporary shoring design may be needed on this project, particularly where site grading and excavation conditions affect the broader design.

If useful, we would be glad to discuss the project and see whether we could assist.

Kind regards,
DRS Engineering Inc.

Mechanical Engineer

Subject: Project Name – Temporary Shoring Design Support

Dear Contact Name,

We came across Project Name and wanted to introduce DRS Engineering Inc. We believe temporary shoring design may be needed on this project, and we wanted to introduce our team in case excavation support becomes relevant in the project coordination process.

If useful, we would be glad to discuss the project and see whether we could assist.

Kind regards,
DRS Engineering Inc.

Owner/Builder/Developer

Subject: Project Name – Temporary Shoring Design Support

Dear Contact Name,

We came across Project Name and wanted to introduce DRS Engineering Inc. We believe temporary shoring design may be needed on this project, and that is an area where we may be able to help.

If helpful, we would be glad to discuss the project and see whether our temporary shoring design services could support your team.

Kind regards,
DRS Engineering Inc.

Owner

Subject: Project Name – Temporary Shoring Design Support

Dear Contact Name,

We came across Project Name and wanted to introduce DRS Engineering Inc. We believe temporary shoring design may be needed on this project, and we thought it would be worthwhile to reach out.

We would be glad to discuss the project and see whether our team could assist with practical temporary shoring design support.

Kind regards,
DRS Engineering Inc.

Owner's Agent

Subject: Project Name – Temporary Shoring Design Support

Dear Contact Name,

We came across Project Name and wanted to introduce DRS Engineering Inc. We believe temporary shoring design may be needed on this project, and we thought it would be worthwhile to introduce our services.

If helpful, we would be glad to discuss the project and see whether we could be of assistance.

Kind regards,
DRS Engineering Inc.

Real Estate

Subject: Project Name – Temporary Shoring Design Support

Dear Contact Name,

We came across Project Name and wanted to introduce DRS Engineering Inc. We believe temporary shoring design may be needed on this project, and we thought it would be worthwhile to introduce our firm.

If helpful, we would be glad to discuss the project and see whether we could be of assistance.

Kind regards,
DRS Engineering Inc.

Structural Engineer

Subject: Project Name – Temporary Shoring Design Coordination

Dear Contact Name,

We came across Project Name and wanted to introduce DRS Engineering Inc. We believe temporary shoring design may be needed on this project, and we often coordinate with structural teams where excavation support and construction-stage conditions require focused design input.

If useful, we would be glad to discuss the project and see whether we could be of assistance.

Kind regards,
DRS Engineering Inc.
